Eye Demo in MultiPastel®

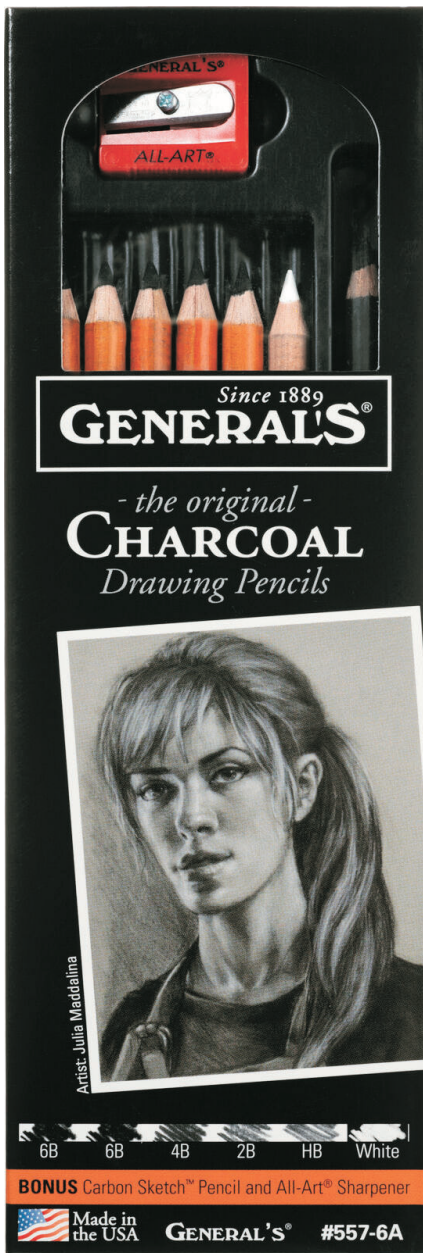

Join us for this free and open-to-the-public presentation
on **Sunday, December 15, 2019 at 2:00 PM** in the
Rochester Art Club Studio #437 (door 2),
The Hungerford Building, 1115 East Main Street,
Rochester, NY 14609.

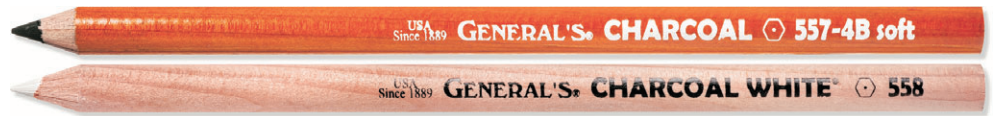

PURPOSE

To establish and maintain an active and viable visual art organization of professional quality and to develop and promote an appreciation for visual arts in the community.

Signature Rochester Art Club member Julia Maddalina returns to the RAC studio to give her presentation for General Pencil! Attendees will view Julia's techniques, showcasing product capabilities, sampling products, with one-on-one questions and answers.

PENCIL MAKERS IN THE USA *Since 1889*
GENERAL PENCIL COMPANY, INC.

Since a young age I've drawn almost every day and found portraiture most fulfilling. I've been inspired by the works of John Singer Sargent, John Williams Waterhouse, and Norman Rockwell. Studying their work has influenced my perspective on what I can do as a portrait artist and illustrator.

I enjoy using General Pencil Company's "The Original" Charcoal Pencils combined with the Charcoal White Pencils, which I normally use for my charcoal portrait work. I sometimes supplement that with MultiPastel Pencils to add a touch of color. You can see my work on jmaddalina.myportfolio.com or you can find me at [@JMaddalina on Instagram](https://www.instagram.com/JMaddalina).
